Historic Hayden Cabin Welcomes Visitors

CHRISTINA REED PHOTO

Now home of the Southern Mono Historical Society's Mammoth Museum, the Hayden Cabin is one of Mammoth's best-kept secrets.

By Christina Reed
Times Staff Writer

Taking advantage of the new world of auto adventures, Margaret and Emmett Hayden traveled to the Eastern Sierra and built their cabin. It was the 1920s, and the Haydens used their cabin as a summer home and later as a permanent residence. Now home of the Southern Mono Historical Society's Mammoth Museum, the Hayden Cabin is one of Mammoth's best-kept secrets.

Emmett, a Glendale map maker, together with his wife, built the cabin in the meadow in 1927. The road to their new summer home was washboard dirt all the way from Mojave, and Mammoth was in the midst of its second development boom.

Families came to the Sierra in droves, many times carrying spare auto parts in their trunks, and they braved the long, dusty road to see Mammoth Mountain. They came to fish and hike the lakes and streams, bathe in Hot Creek, and watch the then-active geyser shoot into the air at Casa Diablo, site of the current Mammoth-Pacific LP geothermal power plant.

Emmett, a Glendale map maker, together with his wife, built the cabin in the meadow in 1927.

◆◆◆

In addition to Mammoth's beauty, they could find gas stations and garages that could carry out any needed car repairs.

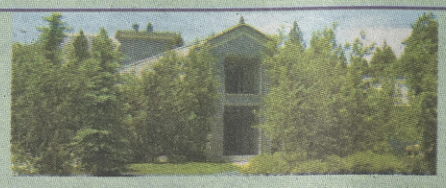

Christie Fulcher, a curator and director for the museum during the summers (since 1995), said what is preserved today in the Hayden Cabin is a museum of collections, reflecting three periods in Mammoth's history: the Mining Era, dating back to the discovery of gold in 1877; the Meadow era, encompassing the 1920s–30s and the building of the Hayden Cabin; and the Ski Industry period, displaying the rope tows, ski-tour memorabilia and the beginnings of Dave McCoy's business.

The ski industry had its beginnings in the 1940s when talented skiers and business adventurers motored to Mammoth Mountain. Hans Georg is credited with establishing the first ongoing rope tow on the Mountain, which made driving to Mammoth with the expectation of skiing relatively reliable. Dave McCoy showed up in the 1950s with a vision of a larger industry and obtained his Forest Service lease to

Fish for Music With Live Bait

By Michael Bunch

Now that the Star Wars Episode II mania has subsided a bit, you may perhaps be in the mood for some local entertainment. Seek and you will find great entertainment throughout the Mammoth Lakes region this week.

The month of June will bring us some warmer weather, I hope, so more outdoor activities will be possible. Do not forget to venture out this week for some great entertainment.

Whiskey Creek

The NBA playoffs will be finishing up. Check them out on the big screen at Whiskey Creek. You may, if you like, make use of the two brand-new pool tables and a generous happy hour stemming from the café menu. In honor of fishing season, a band named "Live Bait" will be performing Friday, May 31, and possibly Saturday, June 1. Go, Lakers! Go, fish!

La Sierra's

La Sierra's will feature the world-famous open comedy night Thursday night. Today's great comedians mostly started out at mikes in places and on nights like these. Who knows, you may catch the next Chris Rock. I highly recommend the foosball table.

Tom's Place

As always, Tom's place will feature prime rib for $9.95 Saturday night. Although this does not fit under entertainment necessarily, I do in fact feel it is newsworthy.

That's about it for this week. Do something good for a total stranger, and support your local artists. *MT*

Mammoth

Parade, Party and Carnival Celebrate Fourth

The Mammoth Lakes Chamber of Commerce has finalized plans for this year's traditional Fourth of July celebration. A special "Block Party" and Carnival will be held in the heart of Mammoth Lakes, to be followed by a spectacular laser light-show after dark.

Parade

The holiday parade will again be held, beginning at 1 p.m. on Thursday, the Fourth of July. Staging will again be in the Chateau Rd./Old Mammoth Rd. area. This year's holiday and parade theme is "Freedom to Celebrate."

Carnival, Light Show

After the parade's end at approximately 2 p.m., a Fourth of July Carnival and block party in the area of Old Mammoth Road and Meridian will be offered. Admission to the carnival will be free with a minimal charge per game to cover costs. Face painting artists and a caricature artist can capture the moment for your family. Traditional carnival games will be available, plus an inflatable slide, a rock-climbing wall for bigger people, and camel rides for the kids.

For the adults, there will be the ever popular dunk tank, sumo wrestling suits and a beer-and-wine garden. Family food and drink will also be offered, along with some exhibits and booth type displays. There will be music throughout the afternoon and evening, with the special laser show at evening's end. In short, there will be something for each person in your family to enjoy!

Parade-Entry Forms

Parade-entry forms will be available at Union Bank of California, Mammoth Lakes Parks and Recreation office, the Mammoth Lakes Visitors Bureau office, MailBoxes, Etc., and the Breakfast Club. Parade entry fees are again $5 for Mammoth Chamber members, $10 for non-members and non-profit entities with their non-profit tax ID# will be free. Please return all parade entries with the proper fees only at the Union Bank of California office.

Fireworks Illegal

Please remember, this is a very high-fire-danger year! All fireworks are illegal in Mono County and the town limits of Mammoth Lakes. Please keep this community fire-safe. Don't bring fireworks into the area. — *MLCC*

Sierra Summer Festival Celebrates 25th Season

The Sierra Summer Festival celebrates its 25th season in 2002 with three weeks of exceptional classical music. The celebration begins July 22 with the Mammoth Lakes Chamber Music Festival featuring the Felici Trio and the Corigliano Quartet.

The Festival's rousing finale will be August 9 and 10 with the return of the Eastern Sierra Symphony Orchestra to Main Lodge at 9,000 feet for "A Supernatural Night on Mammoth Mountain," a demanding concert of surreal and mystical music. A performance of Moussorgsky's "Night on Bald Mountain," "Danse Macabre" by Saint-Saëns and "Symphonie Fantastique" by Berlioz is a thrilling way to commemorate the Festival's Silver Jubilee.

The Sierra Summer Festival Board, the musicians and the dedicated SSF volunteers cordially invite you to enjoy ten concerts of excellent classical music this summer in the beautiful and invigorating mountain setting of Mammoth Lakes, California.

Festival Brochures

Brochures are available around town and also at the Mammoth Lakes Visitors' Bureau in Minaret Mall (Call 1-888-466-2666, 1-760-934-2712, or e-mail info@visitmammoth.com) and the Mono County Arts Council office in Mammoth Mall 760-934-3342.

Information

325 OLD MAMMOTH ROAD

See and be seen at www.remax-mammoth.com

Museum *continued from GT1/17*

begin Chair One on Thanksgiving Eve in 1955.

Along with a growing collection of early mining culture and the trappings of daily life used by the Haydens, the museum also houses artifacts from the Lakes Basin, old Mammoth, Bodie, the Paiute culture and Bridgeport.

Daily life at the Hayden Cabin can be imagined as you walk through the various rooms in the museum. You can visualize Margaret cooking meals in the fireplace, and see the pleasure in Margaret's eyes when eventually a kitchen was added, when they piped in water in 1948, and when electricity arrived in 1959.

Emmett was quite the card player and rascal, and even though he was an extraordinarily accurate map maker, he enjoyed the hunting and fishing that was available. One often-told story about Emmett details an evening of drinking and card playing. When Emmett was on a losing streak, he would bang on the roof above his head. Margaret was above in the bedroom when the ruckus would start, and she would open the trap door to the kitchen below and would drop Emmett some money so he could continue his "sport."

The museum currently is open from 10:30 a.m. to 6 p.m. daily, and Fulcher offers docent tours for anyone interested in touring this beautiful site. "I am still getting my feet wet" in museum work this season, Fulcher said. She is available to help guide school children, visiting tour groups and residents walk through this historic cabin. Additionally, Fulcher is preparing a newsletter to present museum information to the community. She's also in search of volunteers to help. "You can volunteer to get your hands dirty with history, archival work or grounds work," added Fulcher.

Picnics, weddings and fishing are also popular reasons to visit this pretty place on Sherwin Creek, amid the willows and pines. For more information about museum tours, call (760) 934-6918.

Mono County

Celebrate "Stand for Children Day"

By Carolyn Balliet
Mono County Public Health Department

Mono County will celebrate "Stand for Children Day" in Bridgeport on Tuesday, June 4, at the Bridgeport Park at School and Kingsley streets from 2:30–4 p.m. There will be helium balloons, games, bubbles and soft drinks available for the children. Smokey the Bear will be there and pictures will be taken of the children with him.

"Stand For Children" began June 1, 1996, when more than 300,000 people of all ages, races, religions and political philosophies gathered on the grounds of the Lincoln Memorial in Washington, D.C., for a national day of commitment to children and their issues.

Stand for Children Day '02 is about getting every child ready to learn, ready to succeed. That means that in addition to caring and supportive parents, every child must have:

- **Health coverage.** Children who can't see the blackboard, can't hear the teacher, or are distracted by pain can't learn to the best of their ability. The day's events will help children succeed by signing children up for health insurance under the new Children's Health Insurance Program.
- **Substantial new investments** for affordable, quality child care. Young children need proper care and nurturing, stimulation and early education to enter school ready to read and to succeed.
- **Safe, productive, after-school activities.** Enriching after-school programs can help the nearly five million young people who are home alone in the afternoon each week stay out of trouble, and also give them the extra boost they need to succeed in school and in life.

If you would like more information about this, please call Rene Doran or Jamie Beck at 924-8443 or Carolyn Balliet at 924-5410. — *MCHD*

Explore Ranches, Rocks, or Ancient Trees

Saturday, June 1, Ranch Tour. Tour working ranches to see land-use-management practices and their effects on working ranchlands. Includes Conway, Thompson and Rosachi ranches. Tour size limited to 40 people. 8:30 a.m.–4 p.m.; registration $5. Lunch, transportation included. Call Kim Hansen at the Mono County Resource Conservation District, (775) 782-3661, ext. 101, or e-mail kim.hansennv.usda.gov.

Sunday, June 2, Sierra Club Hike. Druid Rocks or Bristlecone Pine Forest. If the weather is pleasant and not too hot, the Sierra Club will explore Druid Rocks, a new rock climbing area on the slopes of Coyote Warp south of Bishop. This is a steep and short hike on trail into spectacular rock formations with scenic vistas. 2 mile round trip, 1200 ft. gain. In the event of hot weather, we will drive into the White Mountains and explore the Ancient Bristlecone Pine Forest. Everyone is welcome, including non-members. Bring lunch, water, sturdy walking shoes, sunblock, camera, binoculars. Meet 8:00 a.m. at Mammoth Lakes Union Bank parking lot, or 9:00 a.m. at Bishop City Park. Leaders: Claus and Connie Engelhardt (872-4596). Dogs limited.

Friday–Sunday, June 21–23, Mono Lake Bird Chautauqua. Educational and fun activities, walks, presentations. Concludes with picnic on Sunday at Mono County Park. Free. For more information, call (760) 647-6595.

Daily at Bodie State Historical Park, enjoy tours and history talks, 8 a.m.–7 p.m. Or just stroll the grounds, taking in the sights. Museum hours are 9 a.m.–5 p.m.; note that the museum will be closed on June 6. School and private groups are welcome. Bodie, now a ghost town in a state of "arrested decay," was once a notoriously lawless gold-mining town with an evil reputation. 647-6445.

Every Wednesday evening, Conditioning Hike. Join the Sierra Club for an easy-to-moderate conditioning hike on local trails. Explore; learn local geology, wildflowers, trees. Bring water, warm clothes, and sturdy shoes. Meet 6 p.m. at Mammoth Lakes Union Bank parking lot. Back by dark. Everyone welcome, including non-members. Dogs limited. Leader: Dick Baggett, 924-5749.

Fridays and Sundays, Mono Lake Bird Walks at 8 a.m. at Mono Lake County Park, 5 miles north of Lee Vining. Naturalists from the Mono Lake Tufa State Reserve and the Mono Lake Committee will lead. Wrens, warblers, woodpeckers and water birds can be seen in this rich variety of habitats. Participants will make their way from the parking lot under the old cottonwoods, around the willow thickets and on to the State Reserve boardwalk to the shore of Mono Lake, observing a variety of feathered residents of this area. Bring binoculars, a bird book, hat and sunscreen. Birders of all levels are welcome. Walks will run every Sunday and Friday at least through Labor Day weekend in September. For more information, call the Mono Lake Tufa State Reserve at (760) 647-6331.

Saturdays and Sundays, Tufa Tower Tours at 1 p.m., join a 1-1/2-hour ranger-guided tour of Mono Lake's tufa towers. Tours begin at the South Tufa Area ($3/person admission) parking lot and proceed along an easy, one-mile walk. Warm clothes recommended, even on nice days. For more information, call (760) 873-2408. *MT*

Anglers Find Great Fishing at Bridgeport

Bridgeport's Twin Lakes Resort reports that "the weather has improved, and so has the fishing at Lower Twin Lakes. The warmer temperatures should really improve fishing in the next several weeks."

Fish and Game stocks and Alpers Trophy Trout stocks have made shore-fishing good using PowerBait, nightcrawlers, Hot Shots, Super Duper, and Thomas Buoyant lures. Trolling is picking up using the same lures, but gold and red colors have been working the best. Float-tubers are doing really well, especially with Black Ants or green flies with red markings.

Robinson Creek has been very good with salmon eggs and small lures with red markings.

June 15–16 is Bridgeport's Fish Festival and Family Fishing Derby. Twin Lakes Resort hosts its Women's Team Fishing Derby June 28–30. Be sure to get in on all the fun!

Notable, recent catches at Lower Twin Lakes include —

- **Mel Villanua** of Westlake Village: 5 lb., 5 oz., 3 lb., 13 oz., and 3 lb. rainbows with PowerBait. Nice going, Mel!
- **Thom Main** of Carpinteria: 5 lb., 5 oz. rainbow with nightcrawlers.
- **Kit Thornberg** of Fernley, Nev.: 4 lb., 14 oz. rainbow with Sierra Gold.
- **Tom Farrier** of Long Beach: 4 lb., 11 oz. rainbow with a Blue Fox Minnow Spinner.
- **Keith Wagner** of Austin, Texas: 4 lb., 10 oz. rainbow with Sierra Gold.
- **Jack Barlow** of Modesto: 4 lb., 6 oz. rainbow with a Gold Super Duper.

For more information, call 932-7751. *MT*

"Tell a Rural Friend" Volunteers

Desert Sierra Breast Cancer Partnership (DSBCP) of the Inland Agency has received a $5,000 mini-grant from the American Cancer Society that allows DSBCP to implement a local **"Tell a Rural Friend"** program in Inyo and Mono counties. The program needs volunteers. Volunteers will be trained to contact women you know — family, friends, neighbors — who are over 40 in order to encourage them to have regular mammograms. Volunteers will also be able, through Breast Cancer Early Detection Program, to offer *free* breast exams and mammograms to income-eligible women. This kind of "peer counseling" is very effective; volunteers are critical to its success. Prospective volunteers should call Gerry Tanksley, Desert Sierra Subgroup Coordinator, at (760) 873-5456. [3]

Art Exhibition Entries Sought

The Kingsley Art Club and the Crocker Art Museum are proud to announce the 73rd Crocker Kingsley Exhibition, a biennial juried event, to be held Oct. 25 to Dec. 1. This year, artists may submit up to three pieces for consideration. Applications must be received by **Friday, Aug. 23**. For additional information, please contact the Mono County Arts Council 934-3342. [3]

Senior Eye Care Available

Eligible seniors can get quality eye care for no out-of-pocket cost. The National Eye Care Project (NECP) is a nationwide public service program that helps individuals 65 and older save their sight. The NECP provides a complete medical eye exam and treatment for any eye condition diagnosed for up to one year at no out-of-pocket expense. For more information, low- or fixed-income seniors should call 800-222-EYES (3937) to see if they qualify for an exam. [3]

Drought-Tolerant Plant Guide

The Mammoth Community Water District (MCWD) has published a "Drought Tolerant Plant Guide" pamphlet listing both native and exotic plants, as well as some landscaping tips suitable for our unique climate and soil. Drop by the District offices, where there are guides available. The local nurseries can be contacted for specific questions about spring and summer landscaping. Remember that *over-watering* is the most common cause of plant failure, and the best times to water are in the early morning or late evening, when temperatures are cooler. For more information please contact the District offices at 934-2596, ext. 282, during normal business hours, Monday through Friday, 7:30 a.m. to 4:30 p.m. [3]

Watch Out for Wildlife!

Mammoth Lakes Police Department reminds you that the local critters are out and about already: bears, coyotes, raccoons, etc. Do your part to keep wildlife wild by not feeding any animals intentionally or unintentionally, especially by leaving trash unsecured. If you live someplace with a dumpster and it was damaged this winter so the lid won't secure, see your complex manager and make sure someone knows so the bin can be replaced. If you are having a problem with a nuisance animal or animals, contact MLPD dispatch at 934-2011, ext. 1, and ask for an officer's assistance. [3]

Republican Women's Club

Rosemary Loven, Region I Director for the Central Division of California Federation of Republican Women (CFRW) plans to form a new Republican club in Mammoth Lakes. Region I includes both Inyo and Mono counties. There is already a thriving Republican club in Inyo County, with plans to begin a Southern Inyo Club sometime this year. Membership is open to any registered Republican woman 18 years or older. To join now or to receive more information, please call Rosemary at (760) 872-4124, or visit http//www.cfrwcentraldivision.org. [3]

YNP Fire Plan Available

The Draft Yosemite Fire Management Plan/ Environmental Impact Statement (EIS) is available to the public. There will be a 60-day public-comment period. Yosemite National Park is waiting to announce the beginning of the comment period until a notice is published in the Federal Register. Once that occurs, the park will mail out a postcard giving not only the opening and closing dates for the public comment period, but also the dates and locations for public meetings for the plan. To receive a copy of the Draft Yosemite Fire Management Plan/ EIS, please write to Superintendent, P.O. Box 577, Yosemite, CA 95389, fax (209) 379-1294 or e-mail YOSE_Planning@nps.gov. It will soon be available on the Internet at http://www.nps.gov/yose/planning/fmp.htm. [3]

YNP Sewer Project

Yosemite National Park maintenance employees discovered a potential blockage in the sewer line along Northside Drive (near the Valley View turnout) while completing a cleaning and video inspection of the line. Employees immediately began work on a temporary bypass for this section of line. The bypass is now in place. Northside Drive between the wood lot (right after the El Capitan turnouts) and the Valley View turnout is reduced to one lane to protect this bypass. While this necessary work is being performed, traffic on Northside Drive will be rerouted between El Capitan Cross Over and Pohono Bridge. A two-way traffic pattern on Southside Drive will be established to accommodate visitors to and from Yosemite Valley. This work is expected to last two weeks and the work will be 24 hours a day, seven days a week. [3]

Snowcreek Golf Activities

Snowcreek Golf Course announces the following upcoming golf activities. See also the Kids' Billboard for youth activities. Snowcreek also offers professional golf lessons. Check with the Dempsey Corporate office for Fairway homeowner discounts. Snowcreek Golf Course: 934-6633.

• **Nine & Dine:** Men and women get together for a fun nine-hole tournament followed by a dinner at select restaurants throughout town. A fun and different tournament format is put together by Nine & Dine host Tani Tatum. This is a great way to meet new people and have a lot of fun with other couples. The events takes place at 2 p.m. on **Thursdays, June 6 and 27, July 18, Aug. 8 and 29, and Sept. 19**. Sign-up sheets will be posted in the clubhouse.

• **Women's Day**: **Wednesday mornings** the golf course will host an informal 9- or 18-hole event for ladies. This also is a great way to find a game each week and to meet other ladies to play with. Tee times start at 8 a.m. On several occasions throughout the summer, Tani Tatum, one of Snowcreek's teaching pros, will be offering morning clinics on different areas of the game.

• **Men's League:** The Snowcreek Men's League will play on **Tuesdays** at 3:30 p.m. this season. This two-man team match play event is limited to the first 22 teams that sign-up. The team entry fee is $70, and each participant will need a current NCGA index. The teams are divided into two divisions, with each division playing a round robin throughout the summer. The top four teams in each division will then advance to the finals in September. Tim Dawson at Nevado's will then host a year-end awards dinner. The team entry fees are divided up for cash and merchandise awards at the end of the season. Team applications will be available at the Pro Shop.

• **Club Championships**: The Snowcreek Club Championship will start the **week of Sept. 4**. We will offer five different flights of competition. You must be a member of the Golf Course with either a Frequent Player or Unlimited Pass, and also have a current index. Each match will be 18 holes in a match play format, with the winners advancing. Each flight winner will receive a complimentary Frequent Player Pass for the following season and their name in lights on the trophy board forever.

Fall Classic: The second annual Fall Classic will be offered in **September**. The exact date will be determined depending on other local tournament dates. The Fall Classic is a two person best ball format. Entry fees will be $100, with lunch, drinks, and dinner included. Cash prizes will be awarded for individual gross and net and also team gross and net. Entry forms should be available the first week of August. [3]

[We run Billboard entries for continuing events for four weeks. The bracketed number at the end of the entry tells which week it is — e.g., [1]. We drop the entry after [1], so resubmit it then if you wish it to continue to appear.Thanks! We try to run other events in the Billboard until they "mature" and are eligible for the Calendar. Then they move from the Billboard to the Calendar. ***Deadline: Fridays at 5 p.m.*** *] MT*

Outstanding Angling Found in Bishop Creek Area

The weather in the Bishop Creek area is getting warmer, and "shorts and T-shirts are the dress of the day," reports Bishop Creek Resorts.

South Lake

South Lake continues to rise about a foot a day with the warmer weather and is finally beginning to get into the fingers by the dam. However, the water is still very cold. Several float-tubers did well but could only stay out about an hour because of the cold. One group of anglers walked a Port-A-Bote to the water and trolled the lake with good results.

Shore fishing remains very good with nightcrawlers and salmon eggs the best choices for baits. Anglers have also reported some success with Thomas Buoyants and Trout Trap Stingers. Most anglers were coming out with limits and reported releasing a lot of other fish. Rental boats are not yet available.

Bishop Creek

The creek is running at a very fish-able speed now, because Edison won approval to close it down a little in order to store water in South Lake.

Fishing is excellent with nightcrawlers and PowerBait, and there's a lot of action with Panther Martins. Many anglers are complaining that they are catching their limits too quickly and have to stop fishing too soon! Bishop Creek Resorts advises catching just three or four fish and then releasing; that way, you can fish all day.

A few fly-fishers tried their luck in Weir Pond with very good success; ants and light Cahills were the flies of choice.

North Lake and Intake II

Happy anglers say, "Fishing at the Intake is great!" With an Alpers Trophy Trout stocking, the fishing was super with Trout Traps and PowerBait. Float-tubers are fly-fishing and having a great time. There's been an inflatable boat on the lake, too.

With the road to North Lake finally open, people are enjoying shore-fishing and float-tubing there. Fishing was reported to be "fantastic" with nightcrawlers and salmon eggs. The fish aren't large individually, but there are "gobs" of them.

Lake Sabrina

Lake Sabrina is still pretty low on water. Two guests of Parchers Resort report "obscene" fishing in the back. They threw nightcrawlers, salmon eggs and anything else they had in their creels, and claim they snagged a fish with almost every cast!

For more information, contact Bishop Creek Resorts at (760) 873-4484 (Bishop Creek Lodge), (760) 873-4177 (Parchers Resort), bishopcreekresorts.com and bspcrk@schat.com. For the South Lake Boat Landing, call (760) 872-0334. *MT*

Convict Lake: the Fishing Is Super

David De Surra, General Manager of Convict Lake Resort, reports that you can't beat the fishing at Convict Lake. "Fishing over Memorial Day was outstanding," De Surra noted.

"Our Spring Contest with over $5000 in prizes continues through Friday, June 9. Forty prizes will be awarded for the largest trout, and your $5 entry fee is used to purchase more Alpers Trophy Trout with which to stock the lake," explained De Surra.

Biggest Trout Since Opener

De Surra adds that on May 25, **Daniel Swann** of Thousand Oaks pulled in the largest rainbow trout since the opener, a seven-pound Alpers from the jetty with a red/gold Thomas Buoyant lure. Congratulations, Daniel!

Other Big Ones

Other notable catches in descending order are —

- **Luke Campbell** of Desert Hot Springs: 5.57-lb. Alpers on white power bait from the south shore.
- **Bryce Kobald** of Apple Valley: 5.3-lb. Alpers on rainbow power bait from the jetty.
- **Brock Roselle** of Brea: 5.27-lb. Alpers on rainbow power bait from the south shore.
- **Jason Garcia** of Azusa: 5.17-lb. Alpers on rainbow power bait from the jetty.
- **Robert Burchill** of Whittier: 5.04-lb. Alpers on Trout Teaser from the outlet.
- **Gary Shundo** of Northridge: 4.57-lb. Alpers on lime power bait from the jetty.
- **Pedro Diaz** of Los Angeles: 4.38-lb. Alpers on Thomas Buoyant from the inlet.
- **Robert Oh** of La Palma: 3.89 lb. on Sierra Gold rainbow from the north shore.
- **Tim Tunget** of Dana Point: 3.81 lb. trolling a green woollybugger.
- **Manuel Alvarado** of Whittier: 3.47 lb. on rainbow power bait from the jetty.
- **Brett Kobald** of Apple Valley: 3.44 lb. on green power bait from the jetty.
- **Yvette Garcia** of Azusa: 2.82 lb. on rainbow power bait from the outlet.

With catches like these, get up to Convict Lake and join the fun. Why shouldn't the next big fish be *yours*? *MT*

Play Smart and Safe in Yosemite

The snow is starting to melt in the Sierra Nevada, and Yosemite National Park's trails to world-recognized locations such as Half Dome, Yosemite Falls, and Vernal and Nevada falls are now beckoning visitors. With the cables up on Half Dome and all trails (including the Four Mile Trail) open, it's time to pull out the hiking boots and backpack and head for Yosemite to enjoy the beauty and wonder of the park.

While there is truly no place like Yosemite for a great outdoor experience, please take extra precautions to ensure that your hiking experience is memorable and pleasurable.

Last year, 166 search-and-rescue incidents occurred in the park. Many of these could have been avoided if the users had taken some extra precautions.

- **Tell some one where you are going:** If you do get hurt or lost, someone will know where you went and when. Rangers then know where to start searching if you are overdue.
- **Bring extra water:** You will enjoy your hike more and more readily avoid injury or sickness if you are well-hydrated. Remember that all water in the backcountry needs to be treated for bacteria like *Giardia lamblia*.
- **Bring extra food:** Your hike may take longer than expected, and you may need it if you do get hurt or lost.
- **Bring rain gear:** Weather changes quickly in the park and, without rain gear and insulating clothing, you may get hypothermia.
- **Bring a flashlight** in case your hike takes longer than expected.
- **Bring a map and compass** and know how to use them.
- **Bring a whistle:** It can alert fellow hikers that you are in need of help. You can blow a whistle louder and longer than you can shout.

Hazards

Rivers and creeks are dangerous in spring. Take care when fording and avoid swift water. Do not wade above waterfalls.

The snow level on the trails is around 7,000 feet. Trails can be easily lost in snowy conditions.

Avoid cliff edges, and do not scramble or climb rocks unless you are skilled and have the right equipment.

Ask yourself if you are in the physical shape to do a strenuous hike. There are plenty of hikes for all skills and physical levels. Select the right one for you.

As a reminder, trail work on the Half Dome Trail on the "shoulder" just below the cables will begin on July 8 and go through September 19. Hikers and climbers will be prohibited on the stretch of trail during trail-crew work hours, Monday-Thursday, 7 a.m.–4 p.m. The trail will be open at all other times

Go ahead and grab the boots. Yosemite's trails and backcountry are truly spectacular and rewarding. Taking extra precautions will make the experience more enjoyable. Getting rescued may be memorable, but it certainly ruins the experience. — *YNP*

Wildlife Exhibition

Peterson's Photos Take Center Stage

The Mono Lake Committee is proud to announce the upcoming exhibit of wildlife photographer Moose Peterson. Peterson's exhibit, "Wonders of Eastside Wildlife," will be shown June 1 through October in the Mono Lake Committee Information Center and Bookstore in Lee Vining.

The exhibition focuses on Eastern Sierra wildlife in their habitat. Now a Mammoth resident, Moose Peterson has been a visitor in to the Eastern Sierra since 1959 and has been a professional wildlife photographer for the past 20 years. He has authored four books on wildlife photography, and has recently been showcased and recognized by Nikon as one of the world's greatest photographers.

"Photography is the best vehicle to communicate the natural wonders I see," Peterson said, "and I've used photography as a means to educate the public about their wild heritage."

Peterson is donating 100% of the proceeds from the exhibition to the Mono Lake Committee.

For more information on the exhibit, contact the Mono Lake Committee, (760) 647-6595, www.monolake.org. For more information on Peterson, visit www.moose395.net and the Nikon page on his work, home2.nikonnet.com/nikoncentre/NATURE/nature_peterson.html. — *JDJ*
